
Job Description – Sanitation Personnel

Company Overview

Scotia Garden Seafood is located in Yarmouth, Nova Scotia. Our Herring Plant freezes whole herring for bait and herring fillets for human consumption.

Position Summary

Reporting to the Production Supervisor, Sanitation Personnel are responsible for completing assigned tasks relating to the sanitation of plant.

Work Environment

This position is performed within the manufacturing facility. When in the facility, the individual may be subject to loud noise and variable temperatures. They will be required to wear the appropriate CSA approved personal protective equipment and other garments as set out in the company policies and procedures.

Position Information

- Hours can vary depending on production. Evening and night shifts are common.
- Typically shifts are Monday-Friday, may include some weekends.
- Full-time seasonal from June – September.
- Competitive hourly wage, \$18.55 per hour.

Responsibilities

- Clean manufacturing facility and equipment after each production day.
- Understand regulations regarding sanitation.
- Notify Supervisor/Managers of any sanitation concerns.
- Contribute to maintaining a positive, healthy and safe working environment.
- Continue education by participating in training.
- Perform other duties as assigned.

Requirements

- Will train
- Sanitation experience would be considered an asset

To Apply

- In-person at our Main Office (112 Water Street, Yarmouth) between 8:30am – 4:30pm
- Via email holly.campbell@scotia.ca
